A one-car accident closed River Road in Weston for a short time on Sunday, May 22, between 6:30 and 7 p.m.

According to police, a driver in a Ford Taurus was traveling on River Road when the car went off the road and rolled over, landing on its roof.

Police and firefighters responded to the scene and extricated the driver from the vehicle. Weston EMS transported the driver to Norwalk Hospital. The injuries did not appear life threatening.

The cause of the accident is under investigation.
